

UNITARIAN UNIVERSALIST ASSOCIATION PRAIRIE STAR DISTRICT

July 2003

Dear Ministers, Directors of Religious Education, Newsletter Editors, and Leaders of the Prairie Star District:

Enclosed you will find an application to present a workshop at the 2004 Prairie Star District Annual Conference, April 23 – 26 in Kansas City, Missouri, hosted by All Souls Unitarian Universalist Church. The theme will be “Growing Season”.

We invite you to consider the opportunity to present a workshop related to the many aspects of growth in our congregations, district or association. We are confident you will come up with creative, informative, stimulating and humbling ideas for workshop topics relevant to UU’s within the Prairie Star District. Please feel free to make copies of this workshop application to distribute within your congregation.

The Annual Conference Program Planning Group requires all workshop presenters to register and pay for the conference. Cooperation in this is greatly appreciated. Exhibitors are also expected to pay a fee based on the hotel space rental. If exhibitors attend workshops or eat a conference meal, they should also pay the registration fee.

The postmark deadline for returning workshop applications is October 3, 2003. The return mailing and E-mail addresses are on the application. We will be selecting the workshops shortly after that date and cannot guarantee space for late admissions.

We look forward to hearing from you with workshop ideas. Thank you for your participation in encouraging others to apply. See you in Kansas City!

Best regards,

The Annual Conference Program Planning Group
