

Application for Workshop Presentation

PSD Annual Conference 2011, April 8-10, Des Moines, Iowa

The Annual Conference Program Planning Committee is seeking workshop applications that will foster leadership development and grow our UU community through multigenerational conversation. We are reaching out to include first time conference attendees, young families, children, youth, and adults. Keep in mind, workshop slots are limited in number. Preference will be given to sessions that reflect the conference theme and provide for balance in the overall offerings. Information about the Conference and additional copies of this application are at <http://www.psduua.org/AnnualConference2011> .

Upon confirmation of workshop acceptance, all workshop presenters are invited to participate fully in the PSD Annual Conference and expected to register and pay the appropriate conference fee.
